

CLASSIC ADRENALIN RIZZI RACER

2-stroke engine oil based on castor ester synthetic technology

Description

CLASSIC ADRENALIN RIZZI RACER is a 2-stroke engine oil based on castor technology and Ester synthetic additives miscible with gasoline, methanol and ethanol. **CLASSIC ADRENALINE RIZZI RACER** is not miscible with mineral and synthetic lubricants.

Application

CLASSIC ADRENALIN RIZZI RACER is a special 2-stroke engine oil with the best properties of castor oil, refined with ester synthetic additives. The refinement with additives enhances these properties a multiple. This chemical composition guarantees excellent lubricity under all load conditions Shear stability with enormous corrosion protection at the same time. **CLASSIC ADRENALINE RIZZI RACER** specially developed for extreme loads. It must be thoroughly mixed with the fuel before use become. In addition, after a longer standing time in the ready-mixed state > 1 week, it is thoroughly closed again Mix.

Mixing ratio for the 2-stroke engine range

everyday use 1:40

Racing 1:30

Properties

- reduced deposits due to clean combustion
- highest shear stability under the toughest conditions
- Protection of the pistons thanks to excellent lubrication
- No paint formation and no sticking of the piston rings
- minimum wear
- Increased resilience and service life of the engine
- Excellent protection against corrosion

Product data

Properties	Unit	RIZZI RACER*
Color		Blue
Density 15 °C	g/cm ³	0,962
Viscosity 40°C	mm ² /s	251,3
Viscosity 100°C	mm ² /s	19,3
Viscosityindex		98
Pourpoint	°C	-33
Flashpoint (COC)	°C	>245
