

CLASSIC ADRENALIN ST 15W-50 4T

4-stroke engine oil SAE 15W-50 based on synthesis technology

Description

CLASSIC ADRENALIN ST 15W-50 4T is a four-stroke motorcycle oil based on synthetic base oils. A specially developed additive package gives this oil its extraordinary properties.

Application

CLASSIC ADRENALIN ST 15W-50 4T is ideal for use in four-stroke engines, transmissions and oil bath clutches. This lubricant was developed and tested with motorcycle manufacturers. Easy shifting is guaranteed even under extreme conditions - slipping clutches and rough shifting is a thing of the past. A high viscosity index ensures an optimal performance at high temperatures and extreme use.

Properties

- extensive protection against wear, corrosion and foam formation
- high and stable viscosity index
- optimal friction properties
- excellent cold start properties
- Neutrality towards sealing materials
- rapid oiling of the engine
- low evaporation tendency, therefore low oil consumption
- Prevention of oil-related deposits in combustion chambers, in the piston ring zone and on the valves

Product data

Properties	Unit	15W-50*
Colour		Red
Density 15 °C	g/cm ³	0,855
Viscosity 40 °C	mm ² /s	111,0
Viscosity 100 °C	mm ² /s	17,2
Viscosityindex		168
Pourpoint	°C	-36
Flashpoint (COC)	°C	>236
