

CLASSIC MEDUNA PT 10W-40

Car fuel-economy engine oil HC-Synthesis basic SAE 10W-40

Description

CLASSIC MEDUNA PT 10W-40 is a high-performance car fuel-economy engine oil based on HC synthetic base oils. This product is suitable for year-round use in all operating conditions. Carefully selected, highly effective additives give this high-performance car fuel-economy engine oil excellent properties.

Application

Excellent for modern petrol and diesel engines, also with turbochargers in cars and vans.

Properties

- less wear due to shorter oiling times
- fuel savings due to lower inherent friction
- prevents the formation of deposits, corrosion and black sludge
- suitable for the longest oil change intervals - the manufacturer`s instructions must be observed
